Just north of Nusa Dua, it offers a variety of adventures, from parasailing to banana boat rides and more. Be sure to check with our representatives for details on all available water sports. You'll also find plenty of beachside shacks and restaurants to keep you fueled and satisfied while you enjoy the fun.

Day 3: Full Day Nusa Penida West Island Tour with Local Lunch on a Shared Basis (B)

A full-day Nusa Penida West Island Tour offers an unforgettable experience. Located southeast of Bali, Nusa Penida is a relatively undeveloped island, and its name comes from the Balinese words "Nusa" (island) and "Penida" (priests). While you won't find trendy beach clubs, organic cafes, or fashionable restaurants here, Nusa Penida is still a must-visit destination. The island is home to some of Bali's most stunning and photogenic sights. During the West Island Tour, we'll visit four amazing locations: Keling King Bay, Angel's Billabong, Broken Beach, and Crystal Bay.

Day 4: A full-day private tour of Tanah Lot Temple, followed by Uluwatu Temple.

Tanah Lot Temple, also called Pura Tanah Lot, is one of the most famous and photographed temples in Bali. It is located in the Beraban village, in the Tabanan area, right on the coast. The name "Tanah Lot" means "Earth" (Tanah) and "Sea" (Lot), which is perfect because the temple sits on a big rock in the ocean. It is one of seven sea temples on Bali's coast and has been part of Balinese myths for centuries.

Later in the day, you can visit Uluwatu Temple, located at the southern tip of Bali. Uluwatu Temple, or Pura Luhur Uluwatu, is famous for its stunning location on a steep cliff about 70 meters above the ocean. It is one of Bali's six important temples and offers incredible views, especially at sunset. Watching the sunset here is one of the best experiences in Bali, with beautiful views of the Indian Ocean waves.
